Thank You to All First Responders, Educators, Administrators and Workers

On behalf of the entire Union State Bank team, we extend a sincere thank you to all first responders, educators, administrators and workers who are continuing to move our communities forward. We appreciate everything you are doing behind the scenes to promote safety and provide information. As we move forward together in the coming months, Union State Bank will continue to support and stand behind our local schools, businesses and families.

Marcia Williams retired in June after 21 years of service at the Everest and Horton locations. Marcia plans to spend more time at their lake house and with family. George (Dick) Jeffery of the Everest Branch has shifted to part-time employment into a retirement transition. We wish them both the best!

Congratulations to the following Everest Middle School 2020 Graduates:

Gannon Becker, son of Lisa and Steve Becker
Beau & Zachary Boller, sons of Rita and Lonnie Boller
Rylan Miller, granddaughter of Diana Lanter

Congratulations to the following Horton High School 2020 Graduates:

Jenna Becker, daughter of Lisa and Steve Becker
Grete Olsen, daughter of Denise and Keith Olsen
Madelyn Bruning, granddaughter of Jane and George Bruning
Grady Miller, grandson of Diana Lanter

A cruise night was held in May to honor the Horton High School class of 2020, with the senior class decorating vehicles and parading through Horton along with many community members. Many of the grandparents of these students recall there being a cruise night on Saturday nights among the high school students when they were in school and enjoyed reminiscing with children and grandchildren. Local businesses donated pizza, water, ice cream and prizes.

Celebrating Kansas County Fair Time and 4-H

Several area Kansas communities hosted (or will be hosting) a county fair, whether in-person or online. Union State Bank celebrates these special events, along with our local communities, and purchased ads in county fair publications. Here is a snapshot of a few of those ads:

Union State Bank of Atchison is proud to support the Atchison County 4-H and our local communities.

You Have a Great Voice for Radio!

Radio is one important way Union State Bank reaches customers across the service region with reminders of services, events and news, and the strength of the Union State Bank brand. We encourage all branches to send thoughts and ideas for radio ad scripts, as well as to record scripts in your own voice(s) using an iPhone. The files can be easily transmitted to area stations via email. Feel free to get creative ... for example, Mother's Day and Father's Day ads had voices of children and parents from the Union State Bank team.

Please send radio ad notes or ideas by email to Braden McGinnis at bmcginnis@mybankusb.com.
