Ever wonder  
where it all goes?

With USB's mobile app, you'll get a clear picture of where you're spending your money. (And where you're saving it!)

Budget bubbles  
make it easy.

Budgeting is simple with USB's mobile app. You'll be able to track where your money is going and if you are staying on budget all in one place.

Increase your  
protection.

Card Options

Nickname Amy Rewards >

Freeze Block all transactions

Freeze International Allow only U.S. based transactions

In Person Only Blocks all internet, fax, and telephone transactions

Transaction Limit Block transactions greater than set amount \$200.00 >

Note: Freezing a card will make it unusable at any location until it is unfrozen.

You'll love the protection offered by the convenient controls on your USB mobile app. Whether it's freezing international transactions or allowing your debit card to only be used in person, you have complete control over access to funds. Simply turn the card on or off with a finger slide!
